

Ariston Genus Premium Hybrid 30 installation and field test on the Hungarian market.

Part two

Budapest, 2011

Renovated old house with radiator and underfloor heating circle! 120m2

BEFORE!

10 years old DUVAL
RENOVA!

FROM NOW:
HYBRID!

 **ARISTON**
THERMO GROUP

We installed to the hybrid a 200 liters indirect cylinder, to the under the roof. We are going to add to this system a 2 pieces sun collector system with Elios 25 in the next spring.
